

Introduction

The original idea for a World War One project was discussed by the Luddenden Conservation Society in 2014. The project has been focused on commemorating each of the 45 men from WW1 named on the Luddenden & Midgley War Memorial, which was unveiled on Sunday 23 April 1923.

This publication documents the Luddenden & Midgley WW1 Commemoration Project through to the final event on Sunday 30 April 2023.
